The floor is available for the dog and handler teams to practice until 6:25 p.m. Teams are to register and pay for the test during this time as well. CGC testing starts promptly at 6:30. TCKC club members can take the CGC test for free.

The Canine Good Citizen Program is a two-part program that stresses responsible pet ownership for owners and basic good manners for dogs. TCKC gives out beautiful blue ribbons to all dogs that pass the Canine Good Citizen test. Owners who pass the test may choose to obtain a certificate or a title from the American Kennel Club (AKC). You can choose to get the certificate only (for an \$8.00 fee) or have CGC as an official title added to your dog's registered name. The processing fee for the title is \$20.00 and includes a document with the most recent AKC titles for this dog listed.

All dogs, including both purebred and mixed breed dogs are welcome to participate in the AKC's Canine Good Citizen (CGC) Program. *(You can apply for a Canine Partners Number for non AKC registered dogs when ordering a Canine Good Citizen title of record, which becomes a part of your dog's official name.)* Dogs must be old enough to have received necessary immunizations such as rabies vaccines. Puppies that have completed all immunizations and boosters may be tested. There is no age limit for the CGC test.

Be sure to bring your dog's registration number with you and a proper collar for the test. Acceptable collars are well-fitting buckle or a slip collar. AKC now allows non-restricting harnesses to be used for testing. The leash should be either leather or fabric.
