

## **RALLY OBEDIENCE: AKC and UKC**

**Novice:** On leash. In this class we focus on the exercises performed in AKC Rally Novice level and UKC Rally Obedience 1. Basic rule similarities and differences will be covered, as well as turns, stationary exercises, fronts and finishes, pace changes and cone navigation. Each week, either short courses or stations will be provided as practical exercises, and students will be provided with appropriate feedback and handling recommendations.

**Advanced/Excellence:** Off leash. In this class we focus on the exercises performed in AKC Rally Advanced and Excellent levels, and UKC Rally Obedience 2 and 3. Food bowls and rudimentary jump training will be covered, as well as pivots, recalls, advanced proofing and backing up. Each week, either short courses or stations will be provided as practical exercises, and students will be provided with appropriate feedback and handling recommendations.
